Vizianagaram district,
Andhra Pradesh.

SOFT SKILLS

- Teamwork and Collaboration
- Problem Solving Skills
- Adaptability
- Time Management
- Leadership
- Effective Communication
- Active Listening

TECH SKILLS

- C, C++
- Python
- Java
- Figma
- ServiceNow
- Data Structures
- MS word
- SQL (MySQL basics)
- HTML,CSS,Java script (basics)

LANGUAGES

- English (Fluent)
- Telugu (Fluent)

OBJECTIVE

Motivated Computer Science student seeking a Software Intern role to enhance my programming and software development skills through real-world projects. Eager to gain practical experience, learn new technologies, and apply my analytical and problem-solving abilities to develop efficient, scalable, and user-friendly applications. Passionate about contributing positively to an organization while continuously growing as a software developer and team collaborator.

EDUCATION

- **Bachelor of Computer Science** 2023 - 2027
Maharaj Vijayram Gajapati Raj College of Engineering, Vizianagaram
CGPA: 9.36/10
- **Intermediate** 2021 - 2023
Vagdevi junior college, kothavalasa
Marks: 976/1000

PROJECTS

- **Smart Healthcare web app**
Flask-based web app using SQLAlchemy for database access, providing user login, patient registration, and rule-based prescription generation (disease, medicines, dosage, timings, remedies and precautions) with dashboard and doctor consultation modules.
Technologies Used: Flask, SQLAlchemy, SQLite
- **Smart Age Calculator Web Application**
Developed a responsive full-stack web application with user authentication, real-time age calculation, theme switching, and database integration. Implemented accurate age computation based on date of birth with an interactive and user-friendly interface. Deployed the application using GitHub and Render for online accessibility and version control.
Technologies Used: Python, Flask, HTML, CSS, JavaScript, SQLite

ADDITIONAL INFORMATION

- Recognized for academic excellence and maintaining a CGPA of 9.36 in my college. And Serves as Class Representative in CSE which improves my leadership skills.
- Participated in hackathons conducted which gave me practical experience by solving real world problems and enhance Collaboration.
- ServiceNow Certified System Administrator (CSA) certified.
- Completed Cisco Python Essentials 1 and 2 certifications
- Familiar with Object-Oriented Analysis and Design (OOAD) and basic Design Patterns concepts used in software development.
